

Jackite birds are not just used for scarecrows, hunting, or decoration. They are also fun for the whole family.

With the weather warming up and summer quickly approaching, why not get outside and fly *The Most Wonderful Kite in the World*?

During May, Jackite would like to offer you 10 Wind Rider Kite Controllers **FREE** with orders over \$150. When you are ready to order please give us a call toll free at **877-522-5483**.
